Here's what several homeowners had to say about us:

"I appreciated the interiors team and suppliers group that work together with Cumberland Construction Plus. The esthetic appeal of my homes interior is very comforting. Chris Walker, owner of Cumberland Construction Plus, is a class individual. He pays attention to details, is very competent in dealing with local regulators and works hard for and with you."

Robert Kisting

"Some builders think of home construction as consisting of nails and boards. Chris Walker thinks construction is about people and deals with them in a fair and equitable manner."

D.V. Smith

"We were very pleased with the professional job done by Chris Walker on building our home on Lake Dartmoor. He and his staff were very thorough in their follow-through; we would recommend Cumberland Construction Plus to all those considering building in Fairfield Glade."

Ken & Sandi Wolfswinkel

"Chris was very responsive to our requests RE: Home he built for us. He is one of the good guys"

Vern Bakken

"In late 2002, we signed a contract with Chris Walker, Cumberland Construction to build our home. We have found that Chris and his staff are honest and care about our problems. No home is built without any problems, but a caring staff listens and acts in a timely manner to solve them. We strongly recommend you consider Chris and Cumberland Construction for your home."

Ralph & Phyllis Seeh

"Chris, we want to thank you for all you have done for us in our move to Tennessee. It has been a pleasure to work with you and your staff, who have been more than willing to handle our needs and requests in a friendly, timely, and professional manner, before, during and after our relocation."

Roger Quackenbush

"Choosing Cumberland Construction & Chris Walker as our builder was definitely the right decision for us. Along with his honesty & integrity, Chris was generous with his time and explanation. He was also willing to consider new methods and ideas, along with following up on any issues that arose after our home was completed."

Jerry & Ginny VanWert

"Chris Walker and his company said what they would do, did what they said, and were very easy to get along with. I would use him again without hesitation."

Robert E. Harrison

"It was a wonderful experience-building a house long distance! We came down from Illinois twice, but we certainly didn't need to because of the honesty, integrity, and professionalism of Chris Walker and his very capable staff."

Paul & Brenda Preuss

"We were extremely satisfied with the quality of our new home. In addition, Cumberland Construction Plus built our custom home as we had envisioned it using our ideas and plans. Chris Walker and his associates were a real pleasure to work with during our construction time period."

Joe & Jewell Wilhoite

"Cumberland Construction Plus is an outstanding company that does great work and stands behind it. Chris Walker is a top professional whom we would recommend to anyone and everyone."

Bob & Barbara Jackson

"Chris, when you built our home in 1999, we were impressed with the quality of materials and the excellent workmanship. You were always accessible to us at all times and readily made any adjustments we requested."

Howard & Dawn Robb

"We viewed homes that Chris Walker had built and were extremely pleased. After a lengthy conversation his honesty persuaded us that he was a builder we could trust."

Gwen & Ed Turner

"Chris built our home in Cumberland Cove in 2000. The construction quality was #1 and we weren't even living in Tennessee. Thanks Chris."

Ted Hennis

"We had your company build our home and were satisfied with it. Chris was very cooperative and helpful in getting it done on time and with the small problems afterward."

Mike & Shirley Butka

"In selecting a builder and in every phase of the construction of our retirement home, we found Chris Walker to be knowledgeable, honest, available, accommodating, and fair. His sub-contractors provided high quality work and completed their tasks in a timely manner. It was a pleasure to do business with Chris and his people."

Patty and Shelton Johnson

"We moved into our home August 1998. Chris P. Walker owner of Cumberland Construction Plus, built our home. Chris is a good builder, you get quality plus."

Jim & Marge Wendt

Hi Chris,
"Just a note of thanks for building our home. You finished it ahead of time; for the price we agreed to and your follow up was always prompt, complete, and fair."

Elaine & Tom Goebel

"We found building with Chris Walker (Cumberland Construction Plus) to have been less stressful and more positive than we could have hoped for. Chris' knowledge, integrity, and attention to detail provided us a home we truly enjoy. All this was accomplished even though we lived out of state during the entire construction phase. Thanks Chris."

Rose & Phil Poynter

"If you want an honest job well done, then Chris Walker and his staff at Cumberland Construction Plus should be your choice. What we especially liked is that even when their job was basically finished they don't forget you. They want you to be happy and they see to it that you are!"

Dave & Ann St Aubin

"Since we were located out-of-state and only able to visit the site every other month, we were in need of a trustworthy contractor with the ability to communicate on a regular basis thru email or phone calls. Chris Walker and Cumberland Construction Plus met our needs and provided a high quality home within the time and price quoted."

Sam & Lee Goldkopf

"Chris Walker is hard-working, honest business man. Chris Walker follows thru with his promises."

Ron & Carol Smith

"Chris Walker built our dream home 5 years ago and the quality of construction is evident daily. His creative talents enhanced our initial ideas giving us a well designed strongly constructed retirement home. Chris' ethical & professional values were apparent throughout the actual building process & continue even today."

Patti & Jack Glavan

"We are very happy with our new home in Fairfield Glade, built by Cumberland Construction Plus. It was a pleasure doing business with such a courteous, accommodating and professional group! Thanks again."

Tom & Peggy Loughran

"We were very satisfied with Cumberland Construction Plus. They were pleasant to work with and finished the job in a timely manner."

Eldon & Nancy Timm

"Back in 2000 we chose Cumberland Construction Plus to build our custom designed home in Fairfield Glade. We are delighted with our home and proud of the quality workmanship exhibited by this professional organization."

Bruce & Judy Wicinski

"Chris Walker is a QUALITY builder of high integrity, honesty & dependability. I can assure you of a pleasant experience if you choose Chris Walker as your builder."

Ruth MacAndrews

"As Glenn's Builders, you've built us a fine quality house, and as Cumberland Construction Plus you improved on perfection with your personal "hands-on" client service. You and your staff give us help and information beyond home-building and your flexibility in accommodation our custom design far exceeded other builders in the area."

Judy & Frank Simonds

"We have built 7 homes in our life time and with no hesitation we praise Cumberland Construction Plus, Chris & Crew, for their commitment in building our Dream Home just the way we wanted. Cumberland Construction is the most trustworthy and honest builder we have encountered!"

Mike & Karen Fisher

"We saw our home only twice during the time it was being built. We trusted Chris Walker and his team to do it right and they did."

James & Roberta Jones

"Building a new home on a "long-distance" basis is no easy task. We wish to thank Chris Walker and his team at Cumberland Construction Plus for their helpfulness to the customer, fairness in pricing, quality of work, HONESTY, and total commitment to customer satisfaction."

Leroy & Peggy Cook

"If you are looking for an Honest Builder we recommend Chris Walker. We are 100% satisfied. In addition our three sided fireplace is one of a kind."

Gerry & Russ Vara

"I purchased a new home in the early fall of 2003 from Cumberland Construction. My business dealings were handled very well and my home is of the finest quality. Mr. Chris Walker is a man of integrity and knowledge."

Ruth Lett

"Chris Walker was foreman of the job when our house was built in 1998. We found him to be trustworthy, knowledgeable, and very concerned with providing a high level of service."

Bob & Rosalie Stacy

"After the warranty had expired on our house, a passerby heard water running. They inquired of workman down the road who happened to be from Cumberland Construction. The leak was immediately fixed. No damage. I was never billed. I would call their follow-up beyond the call of duty."

George Harrison

"We want to commend them for the cooperation and sound advice they showed us during the building process. We are delighted with our home and are proud of the quality workmanship."
